Childfund Global Schools Programme

Our school has recently been invited to take part in a fundraising project for the Childfund Global Schools Programme. Our goal is to raise \$15,000 by the end of next year. This will provide underprivileged students in Zambia with valuable resources such as pens and paper, and allow their teachers to receive proper training. One of our teachers **Ms Kate McCormack**, will travel to Zambia to assist in teacher training next April. This will be followed by a visit to our school by a Zambian teacher. The student coordinators for this project are **Matthew Fitzgerald, Sandra Mitchell-Guyton and James Nottage**.

Any donations or sponsorships would be greatly appreciated.
