Monday 11th February 2008, Week 2

Dear Parent/Caregiver,

Kia Ora

It is nice to see your sons and daughters slowly settling in at the College. I wish them well for the year on behalf of the BOTs and staff at Reporoa College.

Homework is an integral part of a successful teaching-learning process. Teachers give homework to reinforce the learning that happened in the classroom and every student is expected to make an effort to complete the homework. I request parents to involve in dialogues with their children regularly to have an overview of their learning process at the College.

This is also a time for all students to get into the habit of putting on correct uniform and present themselves in front of the teachers and their peers. Non-regulatory uniforms should not be worn unless there is a genuine reason and a note for this should be signed by the deputy principal.

In the series of our NCEA - 2007 data analysis we are listing below the top credit achievers. These credits are from the 2007 school year and may be from different levels

Ka kite ano,

Kris Bhatt
Principal

2. We need to be kind to others particularly while coping with the changes of puberty
3. Understanding the importance and function of the human brain and how drug use can affect the brain
4. The best decisions are informed decisions
5. WE ARE RESPONSIBLE FOR OUR OWN DECISIONS

Year 8 Keeping a Balance

KEY MESSAGES FROM THE THREE SESSIONS

6. When we are in balance we are better able to enjoy life, learn and avoid unnecessary stress
7. Our bodies and brains are amazing and need to be cared for as they work to constantly maintain a healthy balance

Year 7 Making Choices

KEY MESSAGES FROM THE THREE SESSIONS

8. The best decision is an informed decision
9. All choices have consequences
10. Choices we make can affect others
11. There are different influences on people's choices
12. WE ARE RESPONSIBLE FOR OUR OWN DECISIONS

All sessions are open to parents, however, we ask that you consider attending a session with a class other than your child's.

If you have any queries about the programmes your child will be part of please feel free to contact the school.

Year 10 Agriculture

This option will now be replaced with a weekly two hour session, Period 3 and 4 on a Monday with students coming out of their timetabled classes to do Agriculture.

Those students who chose Agriculture have been given another option from their original choices.

If you no longer wish your child to take Agriculture please leave a message with the College Office.

Yvette Nelson (Deputy Principal)

Reminders about Uniform

- 3/4 pants are NOT to be worn
- NO jandals or "beach footwear"
- The only jewellery that may be showing is one small stud per ear.
- NO other studs showing
- NO tongue studs

All students are expected to wear correct uniform at all times

Thank you for your cooperation with this....

Note from the Wellness Centre

Could parents/caregivers with students that regularly take prescription medications - please bring/leave medications at the Wellness Centre.

We need to know who they are, and we also discourage medication being kept in schoolbags.

Thank you, Amanda
