ERUPT! Taupo Arts Festival: Schools Programme 2008

We were pleased to have been offered the opportunity for our students to be a part of this festival.

All Senior, and some of the Year 10 students who are studying in the Arts at Reporoa attended theatre performance, workshops, concerts and exhibitions during the festival.

Some of our Year 7 and 8 students attended a writer's workshop and the whole school along with students from Reporoa Primary and Kindergarten enjoyed a performance at the College by the renowned percussion group 'Strike'.

A highlight for the Music students was the opportunity to perform in the school's concert along with the representatives from the other Colleges in Taupo. Jason Groot performed 'Mombassa' on guitar, then Chalyse McLeod and Keegan Reedy led a group of 12 of our top music students in a performance of 'So Far Away'. The other highlight for our music students was the digital music workshop run by 'Capital E' from Wellington.

We booked tickets for 600 at 12 different events over 6 days.

We would like to thank the Bay Trust for their continued support of the Community and Education programme which allows the festival to significantly subsidise the cost for school groups. Thanks also to REAP and Joce Moyle for coordinating the schools programme.

Thank you to parents of students involved for your support of this programme.
