Term 1, Monday 23rd February 2009

Dear Parent/Caregiver,

Kia Ora

The College successfully organised the Athletics day on Wednesday 18th of February 2009. It was nice to see such a great level of participation from all students. I would like to thank the teachers, office staff and more importantly the parents and friends of the school for their contribution.

Congratulations to **Luke Symes** for achieving 3 scholarships in NCEA Chemistry, Physics and Statistics & Modelling last year. This is a first for the school and I would like to congratulate Luke's teachers also.

If children wish to bring cell phones, ipods or any other electronic items to school, the school will not be held responsible for the loss of these objects. If students do need to have these items at school I suggest they leave them in a lockable space or deposit them in the office during the day. Please note that cell phones **MUST BE TURNED OFF** in class or they will be confiscated and a parent will need to come and collect them from the office.

Ka kite ano, Kris Bhatt, Principal

Strategic Plan Goal A : Student Achievement - *Will be enhanced by the provision of learning opportunities that enable all students to reach their full potential.*

CONGRATULATIONS!

To Luke Symes (2008 Year 13 student) for achieving scholarship in 3 NCEA subjects; Chemistry, Physics and Statistics & Modelling. This is a first for the college to have 3 scholarships in one year and we are very proud of Luke's achievements.

Congratulations also to his teachers Ms Katrina Martin, Mr Kris Bhatt and Mrs Yvette Nelson for their part in Luke's success.

Strategic Plan Goal B : Community - To develop a quality learning community for the geographical area between Rotorua and Taupo.

HPV IMMUNISATIONS

Health Reporoa nurses will be implementing this National Immunisation Programme at Reporoa College this year. It will involve all girls Year 8, 9, 10, 11, 12 and 13, this immunisation is free and involves 3 injections over a period of 6 months.

We will be at the College on the 23rd of February to talk to the students and answer any questions. We will be giving out information and consent forms to take home. If your child is under 16 parents must sign the consent form, if over 16 legally they can sign the consent form but we prefer parents to co-sign if possible.

Any questions please phone Health Reporoa
